

As a High-Performance Plastics Company within Sekisui Chemical groups, we are an integral part of a worldwide network dedicated to problem solving, continuous improvement and complete customer satisfaction. Our own expertise is augmented by that of the other Sekisui Chemical groups, giving you the benefit of more brilliant minds than you ever thought possible.

In addition to our foam manufacturing capabilities in both Massachusetts and Michigan - Sekisui has manufacturing units in Japan, Korea, Europe, Australia, China, and Thailand.
